

Dear Promiseland Families,

Promiseland Christian Preschool understands that the expense of preschool can be a strain on a family's budget. Helping eligible families reduce their cost through scholarships is an important part of our program.

Scholarships will be awarded based upon need. Because our tuition is the lowest in our community, we ask that each family do their best to pay as much of the full tuition as possible. Most families who qualify will receive a partial tuition scholarship and families with special circumstances will be considered for full tuition scholarships. **In addition, families that are awarded scholarships will be required to volunteer by serving with Promiseland PTO as an officer or member and donate a minimum of 20 hours per year at fundraising and/or family events. If the volunteer requirements aren't met, a family will not be eligible for scholarships in the future.**

Scholarship applications are to be submitted to the director with the completed enrollment packet and \$75 registration fee. Applications received by the preschool will then submit anonymous versions of the applications to the Scholarship Committee for review. All personal financial documents provided during the application process will remain confidential and be destroyed after scholarships are awarded.

Once notified, a qualifying family will have **one week** to confirm their child's registration at Promiseland and secure their child's place for the coming school year.

If you have any further questions, please contact me at 480-836-4467.
